

VERITY SHIRT

MARKET RELEASE DATE:
JULY 2017

BLACK

The BLACKHAWK!® Verity shirt was designed with comfort in mind. Comfort starts with the fabric, which is treated with an Enzyme Garment Wash Finish for the ultimate in softness. The cotton/poly construction dries quickly, so sweat and moisture doesn't stick around. Printing is mitigated by the plaid pattern, and a breakaway snap placket provides quick concealed-carry access.

- **COMFORTABLE**- Enzyme Garment Wash Finish for added softness.
- **MOISTURE WICKING**- Quick dry cotton/poly construction.
- **CCW FRIENDLY**- Plaid fabric reduces imprinting and breakaway snap plackets allow for quick access.
