The BLACKHAWK!® Precision Shirt is all about the perfect fit – for both duty and every day wear. A Enzyme Garment Wash Finish with Teflon® Shield+ fabric protectant makes for a soft shirt that resists water, oil and stains. Pleats across the back yoke provides extra range of motion for an enhanced fit. The plaid fabric minimizes printing, and a breakaway snap placket provides quick access in concealed carry situations.

- **FLEXIBLE**- Stretch fabric allows for optimal movement.
- **STAIN RESISTANT**- Teflon® Shield+ coating resists oil, water and stains.
- **EASY ACCESS**- Breakaway snap placket allows easy access to CCW.
