STAIN REPELLENT

BREATHABLE

4-WAY STRETCH

The BLACKHAWK!® Fortify Jacket is made from 10,000 MM fabric – one of the most waterproof yet breathable fabrics available. A back vent enhances further enhances breathability by encouraging extra airflow with movement. The 4-Way stretch construction moves with the wearer ensuring a useable range of motion. Six total multi-function pockets provide convenient storage, including an interior utility pocket that protects gear from the elements. The Fortify stands on its own, or as an exterior shell to the BLACKHAWK!® Bolster jacket.

- **WATERPROOF**- 10,000MM seam sealed fabric offers the ultimate waterproof protection.
- **BREATHABLE**- Back yoke with vented opening promotes airflow.
- **VERSATILE POCKETS**- Interior Utility Pocket Package with media cord opening keeps devices dry.
- **INTEGRATION SYSTEM**- Combines with Bolster Jacket for added insulation.
