• Black, Urban Grey

WATERPROOF

### FOLDING FINGER FOR PRECISION SHOOTING APPLICATIONS.

The BLACKHAWK!® Aviator™ Aptitude Glove is built for control in cool weather. The thumb and index finger are lined with TecGrip® fabric, which holds firmly against most any material. The result is extreme control and dexterity. The stretch soft shell construction with fleece backing insulates and repels water.

- **WARM**- Insulation keeps cold air out.
- **STABLE**- Silicon grip print on palm for dexterity.
- **FUNCTIONAL**- Fold-back Finger Tip for smooth, "no catch" trigger finger.
