FLASH + FLAME  
PROTECTION

### COMPLETE DEXTERITY OPTIMIZED FOR FIGHTER PILOTS.

Inspired by a classic look, the BLACKHAWK!® Aviator™ glove features a time-tested design. It is constructed with form-fitting NOMEX®, which protects against flash/flame. Double-stitching in critical areas adds reinforcement, while an extended gauntlet protects well past the wrist.

- **VERSATILE**- Touch screen compatible for cell phones.
- **SAFE**- NOMEX® construction resists flash and flame.
- **FUNCTIONAL**- Seamless index finger for “no catch” trigger finger.
