

## FORCE

**MARKET RELEASE DATE:**  
FEBRUARY 2017

### TECHNOLOGY

**WATERPROOF**

**MEMORY FOAM  
INSOLE**

**BREATHABLE**

**ANTIMICROBIAL**

Comfort, stability and waterproof protection come together in the BLACKHAWK!® Force boot. HydroGuard™ + Breathe Right™ moisture-wicking membrane is both waterproof and breathable. The upper is made of lightweight 1000 Denier Padded DWR Nylon. Memory foam insole provides cushioning, while a non-slip rubber outsole provides optimal traction. The Force goes on and off easily with the NATO Lace System, which allows the laces to pull free and easy.

- **WATERPROOF-** HydroGuard™ + Breathe Right™ moisture-wicking membrane creates a waterproof, yet breathable, barrier.
- **MEMORY FOAM INSOLE-** Provides comfort and support.
- **AGION® ANTIMICROBIAL LINING-** Controls, mitigates odor..
