### BAGS & PACKS

---

#### ***Go Box Admin Pouch***

The new Go Box Admin Pouch features multiple pockets and elastic loops for organizing pens, chem-lights and other critical items. It is part of the new series of Go Box Hook-Back Accessories that are designed to attach to the built-in loop panels on popular BLACKHAWK!<sup>®</sup> bags and packs. These accessories are engineered with high-quality hook-back panels to mount to the interior loop-lined surfaces of the bags. They feature the same quality components found throughout the Go Box line, including YKK zippers and 500 denier nylon. The Go Box Admin Pouch mounts to any loop/Velcro<sup>®</sup> surface and can be easily removed or repositioned at will.
