

MULTIPOINT SLING

MARKET RELEASE DATE:

January 2018

THE BLACKHAWK! MULTIPOINT SLING IS BOTH EXCEPTIONALLY COMFORTABLE AND EASY TO USE.

70MQD01BK

Superior comfort comes via the nylon construction that features a slick-edged, wide webbing that disperses the weight of the firearm – ideal for hours of continuous wear. A patented rapid adjust slider quickly changes sling length, even on the move. Designed to operate in the most demanding environments, the rugged, lightweight MultiPoint Sling is the perfect blend of comfort, adaptability and speed.

- **COMFORTABLE**- Nylon weave construction designed for long hours of wear.
- **VERSATILE**- Quickly converts to multiple configurations with only one hand.
- **FAST**- Rapid Adjustment Slider Buckle enables high-speed rifle transitions.
- **DURABLE**- All-steel quick detach mounting points built to last.
- **MADE IN THE USA**
