COYOTE TAN

Divide the main compartment when needed, or fold down the shelf for access to the entire space. A port door is built in for easy access to gear stored below the shelf. A padded compartment in the back of the pack holds your choice of a large laptop or hydration reservoir. The Stax Pack is available in two sizes, and is constructed of rugged 500D nylon. If organization is paramount, the Stax Pack is the answer.

- **SECURE**- Large, fleece-lined valuables pocket is deep enough to hold the largest smart phones.
- **VERSATILE**- Loop-lined MOLLE in main compartment for easy attachment of pouches and other accessories.
- **DURABLE**- YKK® zippers with wide tabs for reliable opening and closing.
