The BLACKHAWK!® Street is a versatile, comfortable boot. Lightweight 1000 Denier Padded Nylon adds reinforcement and extra stability. An aggressive non-slip rubber outsole is designed for maximum grip. A memory foam insole adds cushion and comfort, and the Agion® Antimicrobial Lining controls foot odor. The Street boot goes on quick and secure with a YKK side zipper and NATO Lace System that allows the laces to pull up freely and easily.

- **MEMORY FOAM INSOLE**- Provides comfort and support.
- **EMBOSSED LEATHER PROTECTION**- Provides impact resistance for the toes.
- **AGION® ANTIMICROBIAL LINING**- Controls, mitigates odor.
