

LEATHER ISP WITH CLIP HOLSTER

MARKET RELEASE DATE:

January 15, 2016

The BLACKHAWK!™ 4214 Series Leather ISP with Clip Holster is a comfortable, secure option for concealed carry. The spring steel belt clip fits belts up to 1.75”, and locks the holster firmly in place. The shirt shield increases comfort while protecting your firearm from sweat and moisture. It’s available both right-and-left handed for three different handgun models.

- Drum dyed, vegetable-tanned Italian leather
- Shirt shield for added comfort
- Spring steel belt clip fits belts up to 1.75”
- Sig and XDS models Crimson Trace® Laserguard® compatible
