

## Pop-Up 22 Caliber Steel Targets

**MARKET RELEASE DATE:**  
October 31, 2015

Seven new Champion Pop-Up 22 caliber steel targets appeal to all experience levels of shooters and ensure a fun-filled day at the range. The high-visibility targets are designed to pop back up their original position and maintain their shape when used with .22 caliber rimfire ammunition, allowing you to enjoy hours of shooting without the hassle of resetting your targets. Included with the target are four 6-inch stakes to ensure your target stays where you put it. Enjoy a variety of challenges with multiple shapes to choose from including a T-Rex, Raptor, Hog, Coyote, and Bowling Pin or, collect all seven and set up your own challenge course.

### FEATURES

- » High-visibility
- » Pops-up to original position
- » Fun, exciting new designs
