SHOOTING GEAR

Enhanced Rifle Rest

This high-grade rifle rest is designed to perform time after time, shot after shot. Featuring durable cast metal and steel tube construction, the Enhanced Rifle Rest offers quick, precise elevation adjustment and gives shooters a stable, even rest. The adjustable feet offer a secure grip on any surface and produce a level platform to cradle your firearm.

Features & Benefits

- High-grade rest for steady, repeatable performance
- Durable cast aluminum and steel tube construction
- Compatible with most magazine-fed rifles
- Ambidextrous design
- Rapid elevation adjustment, up to 2.25 inches
- Ergonomic, rapid-adjust elevation wheel
- Adjustable steel feet with removable polymer covers
- Leather and polyester front shooting bag
