

WORKHORSE® ELECTRONIC TRAP

MARKET RELEASE DATE:
September 2016

Moving up to an electronic trap was once a major investment in space and money. Not anymore. The affordable Champion® WORKHORSE® Electronic Trap lives up to its name, combining high-volume target-throwing capacity in a compact design. It fits in the trunk of most any vehicle, and can be unloaded and set up by one person. The detachable magazine holds up to 50 clays, and can throw them with three different launch angles up to 75 yards. The Champion WORKHORSE can keep throwing clays until you run out of daylight or ammunition – whatever comes first.
