Big Game Rifle

ELD-X

This match-accurate, hard-hitting hunting bullet stands apart thanks to an extremely high ballistic coefficient and a design that provides effective expansion at a wide range of velocities. It features a unique polymer tip that resists deformation to achieve consistent ballistics and initiate extreme-range expansion, as well as a concentric copper jacket and robust shank.

Features & Benefits

- Aerodynamic secant ogive
- Polymer tip resists deformation and initiates expansion
- Specially formulated propellant
- Nickel-plated brass
- Robust jacket shank
- Extremely high ballistic coefficient
- Concentric and consistent copper jacket
- Optimized boat-tail
- Heavy-for-caliber

Part No.	Description	UPC	MSRP
P243ELDX1	243 Win. 90-grain ELD-X	604544 68980 8	\$52.99
P65CRDELDX1	6.5 Creedmoor 143-grain ELD-X	604544 68984 6	\$70.99
P65PRCELDX1	6.5 PRC 143-grain ELD-X	604544 68988 4	\$82.99
P270ELDX1	270 Win. 145-grain ELD-X	604544 68981 5	\$62.99
