CLEANING TOOLS

Ultrasonic Cleaner

Save time and get shooting faster with the new Gunslick® Pro Ultrasonic Cleaner. Its 3.2-quart stainless steel tank holds your firearm parts to remove grease, dirt and fouling. Use the keypad and display to select one of five preset temperature settings and set the timer from 5 to 30 minutes to match your parts-cleaning needs. Use with Gunslick Pro Ultrasonic Weapons Cleaning Solution (sold separately) for perfect results every time.

Features & Benefits

- Powerful 60W transducer and 100W ceramic heater
- 36kHz ultrasonic frequency
- Sensor indicates when to change solution
- User-friendly keypad and display
- Convenient drain valve and tube
- Degas function
- Plastic tray
