

VIBRATORY CASE POLISHER

MARKET RELEASE DATE:

January 2017

Bright, ready-to-load brass is ready in minutes with the RCBS® Vibratory Case Polisher. It shines up to 14 pounds of brass/media at one time with aggressive vibrating action. A quiet motor powers the cleaner, and a sifting lid helps separate brass from debris. Quality handloads start with quality brass, and the Vibratory Case Polisher delivers.

- Quiet motor
- Aggressive vibrating action
- 14-pound capacity
