

## 2014 NEW PRODUCTS

### MECHANICAL SCALES

---

#### M500 Mechanical Scale

RCBS does it again—the new M500 mechanical scale provides right- or left-handed operation and a wealth of big-time features at an affordable price. Featuring a proven two-pan design that lets you weigh up to 505 grains with  $\pm 0.1$ -grain accuracy, the M500 also offers RCBS' magnetic damping system for fast readings, and maintenance-free movement. The tip-proof metal pan makes loading easier, and a rugged die cast metal base even features a grain-to-gram conversion table to aid in calculations and recipe conversions.

#### Features & Benefits

- 505-grain capacity
- Accurate to within 0.1 grain
- Right- or left-handed operation
- Two-pan design
- Magnetic dampening
- Leveling foot
- Ambidextrous metal scale pan
- Grain-to-gram conversion chart
