

CASE PREP – CASE TRIMMING

RCBS VLD 3-Way Cutter

This is automated case preparation at its finest. Our 3-Way Cutter is one of those accessories you can't live without. Its unique three-blade head configuration trims cases like our standard cutting tool, but in addition to trimming to length, inside blades chamfer the case while an outside blade deburrs it. The 3-Way Cutter attaches easily to both Case Trimmers and Trim Pros.
