

Magnum Rimfire 17 HMR

Steel targets or varmints, watch 'em flip with Remington's two new 17 HMR Magnum Rimfire loads. Available in a 17-grain jacketed hollow point or a 20-grain jacketed soft point, Magnum Rimfire offers shot-to-shot consistency, accuracy and performance on game. Equally good for target practice on paper, steel or cans, reach out further with 17 HMR.

FEATURES

- New 17 HMR loads, 17-grain JHP or 20-grain PSP
- Ideal for varmint and small game hunting
- Great target and plinking round option
