

ULTIMATE DEFENSE SHOTSHELL™

When the stakes are the highest, call on the ultimate in defensive rounds from Remington. Ultimate Defense™ Buckshot delivers massive knockdown power and devastating patterns. At common defensive short ranges, patterns in smoothbore barrels are tight and effective for one-shot confidence. Offered in full-power and reduced recoil load options.

FEATURES

- Shotgun or rifle, the Remington Ultimate Defense line of ammunition has an offering to protect you
- 12 and 20GA loads available in full-power and reduced recoil options
- Manufactured to exacting tolerances for smooth feeding in both pump-action and autoloading shotguns
- Maximize your .45/.410 revolver's effectiveness with Ultimate Defense's .410 buckshot load
- Buckshot offered in 12GA, 20GA and .410 bore, from #4 buck to #000
- Ultimate Defense Rifle Bonded – Featuring Core-Lokt Ultra Bonded® projectiles, flash-suppressed propellants and Kleanbore® primers for trusted stopping power, low-light performance, and ultimate reliability
