KASPA™ 3-9x40mm Rimfire Scope w/ Interchangeable Turret Dials

Weaver's new KASPA rimfire scope features interchangeable turret dials to allow for quick, precise adjustment for 22 long rifle, 22 Win. Magnum and 17 HMR. The dials are specifically calibrated for common velocities found in these popular rimfire calibers and allow shooters to quickly zero and adjust their rifles in the field. KASPA riflescopes offer tremendous value at budget prices. Built to the same standards as all Weaver optics, these U.S. engineered scopes deliver bright clear images, fog-free viewing and rugged construction.

Features & Benefits

- Interchangeable, caliber-specific rimfire turrets
