

TOUGH SHOTS. ROUGH PLACES.

SPR Optics Mount

The Weaver 1-inch-to-30mm SPR Optics Mount is rock solid and designed specifically for the modern sporting rifle. It is engineered to handle heavy recoil and can accommodate scopes with 1-inch or 30mm tubes. It features a notched crossbolt for a positive lock on Picatinny rails.

FEATURES

- » 6063-T6 aluminum construction
- » Fits both 1-inch and 30mm tubes
- » Hard-Coat Anodized finish
- » Cantilever design to ensure proper eye relief
- » Optimal ring height for mounting on modern sporting rifles
